

# Dutch 125

## *Conversation and Composition*

Fall or Spring

3 hrs per week on MWF

4 units

In this advanced language course, students will be introduced to different types of texts and will learn different styles and practices in writing. A reader with various reading materials (i.e. articles, book reviews, literature, scholarly pieces) will form the basis for in-class conversations and weekly writing assignments (homework).

This class meets 3 times a week.
